Congratulations! You have now registered your child for Glostrup Music School. You will receive an email that we have received your registration and that your child is now registered on the waiting list for the course you have registered. If there are available places for the course you have registered, we will send another email about when your child can expect to start music lessons.

Please note that there are some instruments/subjects where we unfortunately have a waiting list. Therefore, you will get the standard message: "To begin with, you will be linked to the waiting list for the course you are registered for"

You are always very welcome to call during our opening hours or write us an email if you have any questions about the teaching or registration.
